\$500 REWARD
is offered by the manufac-
turers of Dr. Sage's Catarrh
Remedy, for a case of Ca-
tarrah in the Head which
they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy
headache, especially in the forenoon, often
descenting from the head into the throat,
sometimes profuse, watery, and acrid; at others,
thick, tenacious, mucous, purulent, bloody and
putrid; the eyes are weak and watery; there
is a strong desire to scratch the nose, looking or
coughing to clear the throat, expectoration of
offensive matter, vomiting with seabs from which
the vomit is stained and has a "musty
twang"; the breath is offensive; sleep and
restlessness, with constipation; depression and
general debility. Only a few of the above-
named symptoms are likely to be present in
any one case. There are cases, however,
without most of the half or the above-sym-
ptoms, due to consumption and end in the
same. A disease is so common, more depre-
ssive and dangerous, or less understood by phys-
icians.

By its mild, soothing and healing properties,
Dr. Sage's Catarrh Remedy cures the worst
cases of Catarrh, "Cold in the Head,"
Toryx, and Catarrhal Headache.

Sold in druggists everywhere; 50 cents.

"Tatloid Acetyl from Catarrh."

Prof. W. HADENNE, the famous mesmerist,
of Union, N. Y., writes: "I was a great sufferer
from catarrh for three years. At times I could
hardly stand up, and I was constantly hacking
and spluttering, and had difficulty in con-
tinually clearing the nostrils. I thought
nothing could be done for me. Luckily, I was
advised to try Dr. Sage's Catarrh Remedy, and
I am now a well man. I believe it to be the
only remedy that can be relied upon in this
disease. It only has to give it a fair trial to
experience astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving valua-
ble hints as to clothing, diet and other matters
of importance, will be mailed, postpaid to any
address on receipt of a twscent piece stamp.
